Construction Starts On Nipponia Extension

TORONTO. — Kotoist, Kimio Eto one of the foremost pupils of the late Michio Miyagi, will be presented in a joint recital with Miss Miyoko Watanabe, noted Kabuki dancer, on Saturday, May 26th at Eaton's Auditorium starting at 8:00 P.M. Tickets are available at the Centre office, Eaton's Auditorium box office and from both newspapers.

BEAMSVILLE, Ont.—A meeting of the Board of Directors was held on May 12th chiefly to sanction the immediate construction of the Home Expansion program. The contract price was set at $30,453 which includes 3 twin bedrooms, 3 single bedrooms, basement for storage, matron's room, 2 staff rooms, and the installation of bathroom fixtures, fan, a new fire system, and a larger sump pump. Architects fees at $1,827.18 plus furniture, bedcover and linens amount to $1,627.00. The cost of the Home Expansion totals $33,907.18. The architect and building contracts were formally signed with architect, Mr. George Yamazaki, and the builder, Stewart and Hinas respectively. Construction of the Home Expansion commenced on May 14th and the project is estimated for completion within three months.

Expected provincial subsidy amounts to $17,553.59 and estimated contributions to date now stands at $13,000 leaving a shortage of approximately $3,353.59.

The Board of Directors also unanimously approved the holding of an official dedication ceremony to be held in the fall upon completion of the Home Expansion.

Secretary-treasurer, Mr. Y. Yamaga, reported that at present there are 12 men, 5 women, and a cook with 4 more on the waiting list. The recent increase in the old age pensions to $62 per month now allows the senior citizens to retain 15% or $9.75 as pocket money and the balance is contributed to the Home to help defray expenses.

The Board of Directors of the Nipponia Home for 1962 is now complete with the naming of Mr. Z. Shin from the Toronto Buddhist Church. The Board now consists of the following officers: Chairman, Rev. T. Komiyama; Sec.-Treasurer, Y. Yamaga; Press secretary, F. Kamibayashi and K. Goto make up the executive board. Others representing the Board are T. Hiramatsu, G. Takahashi, R. Nobuoka, T. Uyede, T. Mototsune, and Z. Shin.

The Board of Directors wish again to extend to all individuals and organizations their sincere thanks for the tremendous interest and success of the Home Expansion program and further request the continued public support of the Nipponia Home's immediate and future needs.

Japan Leading Ship Builder

TOKYO.—Japan is piling up an impressive array of world records in the shipbuilding field.

This country has become the world's largest exporter of ships, is launching the world's highest annual tonnage and is building the world's biggest vessel, a 130,000-ton tanker.

The tanker is expected to be completed this year at Kyushu, in southern Japan, at the shipyard of Sasebo heavy industries, a leading Japanese ship-building firm.

The Ishikawajima - Harima heavy industries, another Japanese shipbuilder, is to lay the keel for a second 130,000-ton vessel during the year.

Japanese shipbuilding experts say that these mammoth tankers are reaching the maximum limits of size for cargo ships which can be operated profitably. They believe this maximum is 150,000 tons.

The 130,000-ton tanker now under construction is on order from the Idemitsu Kosan Oil Company, a leading Japanese oil refinery. It will be about 955 feet long, 141 feet wide and about 54 feet deep.

Kamitakahara Elected New President Of Vancouver JCCA

VANCOUVER. — The annual general meeting and election of officers of the Vancouver JCCA was held recently at the Japanese Hall with approximately fifty members in attendance. Reports from the General Secretary and chairman of the various committees indicated that the Vancouver JCCA is headed for an active future based on a solid formation of supporting members.

The election of the executives for 1962 took place after the general meeting and welcomed Mr. Alfred Keiji Kamitakahara as president. Dr. George Ishiwara, who headed the JCCA for the past several years, will also remain on the executive board, thus giving well-balanced youth and experience for the coming year. Following are the names and positions of the executives elected.

Executive Council: President, Alfred Kamitakahara; Past President, Dr. Geo. Ishiwara; 1st Vice-Pres., George Fujisawa; 2nd Vice-Pres., Robert Miyasaka; General Secretary Arthur Hara; Rec. Secretary, Ritsu Enjo; Treasurer, Mits Tahara.

Committee Chairmen: Social, Bob Furukawa; Educational, John Eto; Athletic, Mush Saito; Cultural, Lorraine Miyagishima; Membership, Ken Matsune; Bulleting Gordon Kadota.

A sub-committee was formed to study the possibility of a JCCA Community Centre in the future. George Fujisawa and Tom Hara were appointed to head the committee.

Also representing the JCCA at the Civic Unity and Canadian Folk Society will be George Fujisawa and Bob Miyasaka, respectively.

In order to co-ordinate the activities of the older generation, the following members were elected to the Issei-bu executive

General Secretary, K. Iwata and T. Arakawa; Treasurer, K. Kazuta; Social G. Nakamura and T. Motomochi; Educational, S. Kunimoto and G. Ohori; Welfare, S. Murakami and K. Tasaka; Recreational, F. Nakamoto, J. Tanaka and G. Yada; Special Events, Y. Fukui and S. Uchida.

Centre Counts on Support Of Japan-Canada Society

TORONTO.

The Japanese Canadian Centre, in its final stages of planning with construction scheduled to start this September, can now count on the whole-hearted support of the Japan-Canada Society in Japan, which only recently completed its part in the project of the late Dr. Inazo Nitobe Memorial Garden in Vancouver.

The assurance that the Society can now channel its effort toward the Centre in Toronto came from Mrs. Takako Toko, secretary of the Society, after a meeting last week with the Centre's Board of Directors.

"I have been requested by the Foreign Office in Japan to obtain first hand information on your project, possibly visit the site, meet with its officials and to give my personal account of this project," she explained.

After hearing the details of the Centre program, Mrs. Toko was pleasantly envious when told of an arrangement whereby a banking institution is willing to loan $225,000 at six per cent interest.

"If such a financial arrangement can be offered in Japan, the people there will just pounce at the opportunity. This must certainly be an indication of the trust which the Japanese Canadians enjoy in Canada," she commented.

The day following the meeting, she was taken on a scenic drive on the Don Valley Parkway to the Centre site. Accompanied by Mrs. K. Komuro, wife of the Consul, she then proceeded to the residence of Mr. and Mrs. Saul Kadonaga where the Sakura Tea was being held by the Centre's Women's Auxiliary.

The month was a reassuring one for the Centre officials as far as the question of aid from Japan was concerned. A week earlier, they had met Mr. Iyemasa Tokugawa, president of the Japan-Canada Society, during his visit in Toronto. At that time, Mr. Tokugawa had assured the Centre of his unqualified support.

Both Mr. Tokugawa and Mrs Toko were guests of Consul and Mrs. Komuro during their separate stay in Toronto.

Hamilton JCCA Benefit Dance Nets $100 For Nipponia Home

HAMILTON.—The night of May 5th was indeed "Otoko no sekku" (Boy's Festival) at the Jockey Club Tavern Hall as the Mountain City friends and Toronto neighbours rocked, rumba'd and twisted to the mellow music and rythm of the "Mello-Tones."

A capacity crowd came out to enjoy themselves as well as to contribute to the Nipponia Home Extension Fund.

The Hamilton Sanseikai, a group of third generation Japanese Canadian teenagers, also contributed their time and talent in setting up decorations, taking and selling tickets at the Benefit Dance. One hundred dollars ($100) was successfully realized, which incidentally matches big brother Toronto's Benefit Dance proceeds. How about that!

To rub salt into the wounds the Hamilton JCCA's were victorious in overwhelming the Toronto JCCA by taking 8 games out of 9 games in an afternoon 10-pin bowling tournament.

Plans are now underway for the coming Hamilton Community Picnic at Lambert Park to be held on Sunday, June 24th.

Japanese Boss Also Husband Finder

TORONTO. — Canadian businessmen probably would be startled if they were suddenly called upon to face the normal obligations of their counterparts in Japan.

This includes, in some instances, the task of finding husbands for female employees.

The husband-finding job and other odd facets of Japanese industry were outlined by Franklin E. Folts, professor of industrial management, Harvard Graduate School of Business, at the recent business conference of the University of Western Ontario.

"During his lifetime," Prof. Folts commented, "a Japanese never works for more than one employer. The company he first goes to work for when he gets out of school is the company from which he retires in his old age.

"If you ask a Japanese what he would do if he were offered a more responsible job in another company at higher pay he would not understand you.

"No Japanese would ever make him such an offer and to leave the place where he is now employed is beyond his comprehension. Why should he even consider this? He knows he will never be discharged. He has enlisted for the duration. This has always been so and is so. He knows it, everyone knows it.

"If you as a Japanese manager employ an untrained young man out of grade school, or an apprentice out of a technical school, you are making a long-term decision.

"He may be competent—learn, and become a profitable investment, or he may never develop beyond an unskilled worker. In either event he will be with you for his lifetime—you will never discharge him. He is yours and you are his."

Prof. Folts, who has travelled around the world five times in the last six years discussing management problems in various countries, says the same situation exists in the hiring of a potential executive.

"You will never divert yourself of his services, good or bad. The only difference is that you will never seek such a potential executive from a grade school, high school or technical from a grade school, high school or technical school. You will always recruit from a university. You will never recruit from another business firm—you will never raid."

More than 99 per cent of Japan's 405,000 industrial firms have less than 50 employees, Prof. Folts said, and the husband-supply chore occurs in this area.

"Take the case of a Kyoto lacquerware producer. An owner-manager will have a half-dozen men and perhaps three times as many girls working for him, whom he has recruited through a common schoolmaster in a small community back upcountry.

Begin as Learners

"The girls go to work as learners and during the first three

Water Rationed As Drought Hits Tokyo

TOKYO.—With Tokyo's reservoirs dangerously depleted by a long drought, authorities recently ordered water rationing that will leave most of the city's 10 million inhabitants with dry faucets for 15 hours a day.

Officials ordered the water pressure cut as the supply in Tokyo's three reservoirs dropped to 47,810,000 tons, or one fifth of capacity. They warned that if the supply drops below 40 million tons, water will be restricted or

Japanese Better Integrated Than Chinese

By STANFORD LYMAN
From the Vancouver Sun

VANCOUVER.—The Japanese have responded quite differently from the Chinese to the challenge of life in America. Second generation Japanese exhibit, within 60 years, greater degrees of integration into the American society than has been the case with the Chinese, whose settlement is twice as long.

A full-scale study of the Japanese and Chinese in the United States would reveal certain important differences, differences which I believe could be used in part to explain the different extent of acculturation for these two groups.

* * *

The kinship system of nineteenth century southeastern China was patrilineal, patripotestal and patrilocal. A single large-scale lineage not infrequently inhabited an entire village. Though the lot of women was better than certain writers have described, wives were in effect the property of the lineage more than they were the helpmates of the husbands. Women did not travel abroad with their husbands. Emigrants regarded their journey as temporary and their return as certain.

Abroad the Chinese lived as homeless men, never fully accepting the permanence of their sojourn. They identified themselves with their clan, village, and dialect grouping. The overseas clan, village, or prefectural leaders were accepted as legitimate substitutes for the village council. The immigrant's country of residence was not regarded as home, but as a "job" eventually to be terminated.

* * *

In the Japanese kinship system, on the other hand, village loyalties were disconnected from ties of kinship, and had been severely weakened with the political centralization carried on by the Tokugawa and Meiji regimes. Japanese emigrants did not live long as homeless men. As soon as they had a sufficient competency, they sent for wives from Japan and established domestic life in the new country. Gradually the immigrant country came to be accepted as a permanent home, especially after the birth and rearing of children.

* * *

The Chinese came and remained wage workers or merchants in America. This necessitated living in the city and inevitably in the ghetto set aside for Chinese. There their personal economic and social needs could be met. There individual recognition and response, denied to them by the categorical treatment of white men, were possible. There Chinese religious, social and political practices could be carried on without the intruding stare of the foreigner.

Political life in Chinatown was not tranquil. Struggles for power, blood feuds, and "wars" of vengeance were not infrequent in the early days. These conflicts entrenched the loyalties of men to their respective associations. More important in accounting for non-acculturation, these intramural fights isolated the Chinese from the uncomprehending larger society and bound them together in antagonistic co-operation.

* * *

In distinct contrast to Chinatown, "Little Tokyos" have not experienced inner-directed, internecine power struggles. Rather the Japanese have organized and insisted on equal rights with Caucasian Americans. No tradition of old-world rule has survived the immigrant generation, and even that generation threw off the fetters of old world institutions as soon as conditions permitted.

The conditions for the integration of Chinese into American society may indeed be at hand. The rise of second and third-generation American-born Chinese who have the opportunity to penetrate the white man's world occupationally and residentially heralds a change. The closing of China to return migration has hastened the severing of old-world ties.

* * *

However, it should not be overlooked that, for all its inequities, Chinatown ministered a sex-starved, footloose population whose needs could not be met by the institutions of the larger society.

Finally, this writer must query the alleged advantages arising from total and unreserved integration into American society. Scholars have already documented the barrenness of the over-assimilated life for the Negro. Must the Chinese in the United States look forward to the emergence of a yellow bourgeoisie to stand beside that of the black man?

「助右衛門は、どうしたのだ？先に、小俣に會つたのではないか？」

「いいや、どうやら、助の奴も、門前拂いをくらつたらしゆうございます。奴は長崎で、馴染の浪人者三、四人つれて、この江戸へやつてきたときいて居りますが、どうやら、まだ小俣様とは會つた様子はございません……。ただ、奴が、腕ずくで、小俣様から、阿古父尉の面を奪い取ろうというこんだんだけはあきらかでございます」

「そうか。そこで、お前も腕ずくで——と考えたわけだな」

「へい、左様で——」

「面白い話だ」

右膳は、手をたたいて、女中に酒を命じた。

「丹兵衛、まず、くつろげ宿がきまつていなければ、ここえ泊つてもよいぞ」

「有難う存じます」

酒を酌みかわしているうちに、二人の胸は、目的をひとつにした仲間の意識が出來ていた。

「お前が鬼になつた積りでいるのなら、小俣はせせら笑つて豆撒きをする用意のある男だ。お前などが、どうあがいても、爪でひつかくことも出來ぬ恐ろしい相手だ。隱者のくらしはして居つても、まだまだ、頭の働きはおとろえてはいない筈だ。いや、かえつて、冴えて居ろう……。助右衛門が、浪人者の三人や四人ひきつれて、おそいかかつても、阿古父尉の面を手に入れることは出來まい」

右膳は、酒をはこんで來た女中に、

「離れの客を、ここへ——」

やがて——。

聲も掛けずに、ふすま障子を開いて、のつそり入つて來た男を、何氣なく見あげた丹兵衛は、かすかな惡感をおぼえた。

ピーシー州奥地 苺作りに朗報!

ハイウエー完成で浮ばれる

ピーシー州タッペンでイチゴ作りをしている川瀬忠義氏は同地のイチゴ作りについて次のように傳えてきた。

△四ヵ年間も市場出荷の惡條件と天候不順のためイチゴ作りも損害續きで苦難。しかし農家は來年こそは、というのに望みをかけてとにかく努力を重ねている。當地はイチゴ市場に遠く、列車便でなければどうすることもできない有様。

△ところが幸い、カナダ橫斷公路が、難工事のロージャス・パアスも完成、來る七月三十日に開通式となっているが、このハイウエーを開通式前の七月中に使用許可方をイチゴ作り農家たちが當局に要請中で、おそらく許可される見込みが強い。そうなればカルガリー市場までトラック便で七、八時間、新鮮なイチゴを送ることが出來るようになる

△今シーズンの收穫は六月中旬ごろから開始の予定で、ハイウエー開通はイチゴ農家だけでなく、他の產業にもシゲキを與えるものとして大いに期待されている。農家はたとえ損をしても作物の育々とみのるのをみると、やはり心滿ちて樂しいものである。

新民主黨に就て

新民主黨はカナダ全国の労働者、小實業家、農者、自由職業者など大部分のカナダ人を代表する全加的政黨である。

その主要目的はすべてのカナダ人に社會的正義をもたらすことである――永くカナダに住んでいる人々、最近カナダにおちついた人びとの如何を問わず――。

新民主黨は完全就職に立脚している。あらゆる男女で仕事のできる人々には公正なる賃銀と勞働時間の仕事が與えられるべきである

社會保障もまた新民主黨の重要政策の一つである。これはドクター、歯、手術看護および薬などをふくむ国民健康計畫を全カナダ人に與えることを意味するものである。これはまた年齢六十五才以上に月七十五弗の老年恩給を意味するものである。（保守黨政府は七十才以上に月六十五弗）。さらに母親扶助金の増額を意味するものである。

最も重要なことは、新民主黨は我々の子供によりよい教育を與えることを主張していることである。あらゆる子供に最善なる教育が與えられるべきである。

事實、新民主黨は今日ヘヨーロッパにおける社會民主黨とほとんど同様の政黨である。スカンジネビア諸国の社會民主黨と同一であり、ドイツ、フランス、イタリーの社會民主黨に似ており、英国勞働黨とも同じである。

新民主黨は完全なる民主主義で、法律内の各個人の自由を認め経済および政治的自由を認めており、共産主義および極右左的政治見解を強く排除するものである。

新民主黨は自由民主的勞働組合をふくむ多くの組織により支持されている。新民主黨はその国民の生活水準が高く、健康サービスがよく、住宅、教育などの点でもよければ共産主義は全く根をつけないと確信している。それが故に、新民主黨は全面的就職と社會保障を全カナダ人に與えることを主張するのである。

と同時に、新民主黨は国際關係において強力且つ積極的態度でのぞむべきだとし、国連を国際關係の最高機構として極力支持している。

黨主の横顔

トーマス・クレメント"タミー"ダグラス氏は人情味豊かでフレンドリーの性格の持ち主。二十七年間も勞働者のため政界で活躍しているカナダきっての雄辯家。

一九三四年、ダグラス氏が三十才の時、彼はサ州ウエイバーンのバプテスト教會の牧師であった。不況時で大いに苦労したものであった。

實行するヒューマニタリアンのダグラス氏はウエイバーンの失業者を組織、彼等に食と衣を與える途をみつけたが、これだけでは不十分と彼はさとった。なんとかしてやらねばと一九三五年、シーシーエフ黨候補として立ち、オタワ下院議員に當選した。

議會では小柄な彼は積極的に活動して存在を認められたが、それから彼はサ州シーシーエフ黨主となり、一九四四年、カナダ最初のシーシーエフ政府の首相となった。

それ以来、サ州はシーシーエフ政府下に榮え、幾多の革新的政治が行なわれてきた。今日、サ州の勞働法はすべての勞働者に五年勤續にペイつき二週間および三週間のハラデーを與えており、カナダで最初の人權法を制定した州であり、一九四六年、これまた最初の前拂い病院計畫を實行に移した。

ダグラス氏は新民主黨の黨主として來る六月十八日の總選擧にのぞんでいるが彼を一言にして許するならば"偉大なるカナダ人"であるということである。

米マリン千八百泰國に上陸開始

日本を危険におく重大事態

【バンコック發】米陸戰隊（マリン）千八百は十七日タイランド上陸を開始した。上陸第一波はタイランド陸軍トラックに分乗、ドンムアング空港に向つた。そこより北方のラオス国境に進軍する。陸戰隊のほかタンク、水陸兩用車、大砲なども續々上陸をはじめた。

【東京時事通信】ラオス情勢の緊迫に伴い、米三軍には待機命令が出されているが防衛廳當局ではこのさい日米安保協議委員會の開催を求め、米側との間に極東情勢を検討すべきであるとの意向が強く、藤枝長官は一兩日中に小坂外相にこの旨申し入れる。

△社會黨の江田書記長はラオス情勢に關する米第七艦隊（臺灣水域を警備している）の出動について次の談話を發表した。

一、米軍の出動命令は課まると日本を危険な紛争の中に巻き込む重大な問題である。

一、日本の軍事基地からの米軍ノ出動はもちろん、沖縄基地ノ利用にいても絶對に反對するものである。

政府が國民の總意に基づき米軍出動に強く反對することを要望する。

本土反攻を眞剣に準備中

＝井口國府大使の現地報告＝

アジア太平洋地域公館長會議における井口国府大使と松平インド大使の現地報告の要旨次の通り。（時事通信）

△井口国府大使＝国民政府の中国大陸反攻は今すぐというわけではないが、情勢に應じていつでもできるようにと眞剣に準備していることは事實だ。しかし軍需品の補給などの點で實際上米国の援助がなければできないことであり、米国も今は反對している。

△松平インド大使＝アジアの一員であり、自由陣營の一員であるという日本の外交基調にはムジュンはないアジアの情勢は日本、中共インドの三國の動向で大きく左右される。現在、中・印關係はチベット問題、國境問題、經濟政策の相違などの點で惡いが、これが中共の對日靜觀の一因となつているようだ。またインド國内では右派勢力が次第に勢力を増してきている。

白人娘(一六)を全裸にし暴行した少年つかまる

△十六日夜十時半ごろ、仕事先から歸途についた十六才の白人娘さんが、自宅から二軒はなれたところまで來たところ、背後から一白人少年（一五才）がとびつき、ナイフを娘のクビにあてて騒ぐと刺し殺すぞとおどかして、彼女を道路から引きずつていくのを、自宅のヴェランダに座つて涼んでいた娘の姉が目撃、早速父親と姉の夫君がかけ出してきてこの少年の後を追つかけたが、途に見失つてしまつた。

△警官に急報し、二十數名が一齊捜索を行つたところ、ある裏道の紙箱に娘が着用していた着物、下着などがズタズタにさかれて詰め込んであるのを發見、さらに三、四十名の警官隊が増派されて村近一帶の戸別調査を行い、少年の父親が朝七時ごろ仕事に出かけるのをとらえて尋ねたところ、その少年は二階で就寝中という。住宅をさがしてみるとベースメントに全裸体のままロープでくくられた娘さんをみつけて早速病院に運ぶと共に、ベットから少年を起してつかまえた。犯人容疑者は強姦、誘拐に問われることになつた。

心臓病減る

組育のクラブ

【ニューヨーク發】年齢五十才から五十九才までの米人オフィス働き約一千名によつて組織されている『アンタイ・コロナリー・クラブ』（反動脈硬化クラブ）は四年前に發足、ドクターのすすめる食養生の結果、心臓病者は七五%も減少したと發表した。脂肪分の少ない食物攝取のせいだとしているが、會員中、心臓病を起こした者は四年間で僅か五名死亡二名という。

難民逃亡に中共知らぬ顔

【東京時事通信】外務省は今週第十一回アジア太平洋地域公館長會議を開いたが、小川香港總領事は次の如き報告を行つた。

一、中共の食糧難はかなり深刻で食料油の配給量をみても一人當り一カ月分が五百グラムで、これは香港における一人當りの一日分にすぎない。

一、最近中共から香港への逃亡者が激增しており、五月一日から十日までの間に約一万人が越境した。これについては中共側は取り締りをしていないようにみえる。

一、周恩來首相が最近經濟事情は好轉しているといつているが、香港でみたところではそのような事例はまだ出て來ていない。

『地崩れ』でやがては富士山の麗姿が變る

【東京發】日本のシンボルである〝靈峰富士〟はその麗姿を失う危険にあると日本の自然科學者が實地調査の結果を發表して日本国民をビックリさせている。なにしろ富士山は觀光客のメーン・アトラクション。いまの山頂の姿が毀れば大變なことになるので關係方面ではこの科學者の發表に注目している。

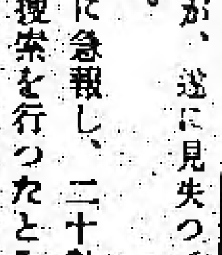
△東大の岩塚助教授は調べあげたのち『いつ山頂がこわれるか予測できないが、五十年または三十年、或いはそれ以前に起こるかも知れない』といつている。二年間の現地調査で富士の西側は地崩れと砂流れで、しだいに崩れ落ち、やがては山頂の一部がもろくも崩壊することになろうという推測。

△岩塚助教授の科學調査によると、富士山が活火山のとき、九、十世紀前に地崩れが起こりはじめたとのことだが、なぜ西側にのみ起こつたかについて同助教授はこうみている――富士山は全く露出した山で風が西―北西に吹きまくり、火山灰は山の東側にふきつけられる。西側は熔岩でそれが寒暖のためカラカラにかわき、ボロボロになつて地崩れをはじめるのである。

白鳥の死

ト市公園で何者かの非行

今週ト市ハイパークのポンド片隅の水草がしげつた中に、メスの白鳥がタマゴを守つているのを、夜間フェンスをのり越えて、何者かがタイヤ・アイロンのようなものを使つてメス白鳥をなぐり殺すというむごいことをしたのがある。ポンドの白鳥夫婦一組がタマゴを持つたことは珍しいことであるが、メス白鳥の死でオス白鳥はどうなるかと市當局では心配している。また市のリバーデール公園内の動物園内にしのび込んで、動物にイタヅラしようとして十六才の少年がつかまつた。



△オンタリオ州の熱波は五日間もつづいているが、まだやわらぐ徴候も見えず、週末まで八十度以上の暑さらしい。なにしろ五月中に八十九度、九十度となつたのは記録破り。ト市郊外のマルトン空港では九十二度に水銀がジャンプした。この暑さで水使用量がぐんとふえ、夜のガーダン撒水を禁止している町も出てきている。

Former K.C. Athletics 1st Sacker Enjoys Playing Japan Pro Ball

TOKYO.—By his own admission Jim McManus, formerly of the Kansas City Athletics, never had it so good.

The first baseman from Chestnut Hill, Mass., quit the Pacific Coast League Hawaii Islanders this year to throw in his lot with the Taiyo Whales of Japan's Central League.

Last year the Whales wound up in the cellar. So far this year, they are riding high.

Perhaps McManus has something to do with it. It's too early to say.

But he has made a big hit over here.

Seated in the living room of his new, two-bedroom bungalow in Tokyo—the Whales built it specially for him—the 25-year-old McManus summed up his reasons for being here.

"I wanted a chance to see the Orient. And the compensation is good."

How good McManus wouldn't divulge, but he added "I couldn't have been treated better if I was with the New York Yankees."

McManus is one of the Whales three foreign players—the limit allowed a Japanese team under commission rules.

Asked what he thinks of Japanese players, McManus replied:

"They're a lot better than I had expected, especially the pitchers. They have excellent control and seem to work the ball in and out better than back home."

But he finds American and Japanese fans very different.

"Japanese fans," he said, "are very loyal and stay on the side of their team, whether it's first or third base."

Language hasn't presented a problem to Jim.

"The Whales always have an interpreter for me who explains everything carefully. That's how I learn the signs and my schedule. They couldn't be more considerate."

Judo Tournaments—East

OTTAWA. — Don McClelland nidan of Toronto Hatashita and Gilles Champagne shodan of Ottawa Asahi club were declared co-champs of the fifth annual Ottawa Judo Tournament last Saturday.

The unusual decision was given after the two battlers—almost evenly matched in physique and skill had fought for 18 minutes without a clear throw or hold. Both showed hidari uchimata as their big waza. Champagne, who won the Eastern Canada title in the April shiai in Toronto, then tried ground techniques, but McClelland proved too tricky for the Ottawan to gain a hold.

After four indecisive three-minute extension over the regulation six-minute match, referee Fred Okimura sandan of Montreal drew -judges Frank Hatashita godan of Toronto and Rich Richardson nidan of Ottawa aside and the draw decision was made final.

McClelland's toughest previous match was the semi-final with Don Niiya nidan, the hefty Montreal Seido-Kwan youngster battling it out to a decision. In quarter-finals, McClelland surprised the crowd by tossing Montreal sandan Rene Lalonde with apparent ease on a hidari uchimata.

Champagne defeated Stratford shodan Ben Wasman in the other semi-final with a waza-ari uchimata and a decisive ippon-seoi. Champagne couldn't throw Ottawa's Dr. Harold Brownell shodan in the quarter-final, but got the decision.

In the other quarter-final events, Niiya won by referee's decision after two extensions with Duncan Vignale shodan of Toronto. Wasman eliminated Claude Bernardin nidan of Montreal Hakudokan with a clean sode-tsurikomi-goshi.

Eliminated earlier were Ron Desormeaux nidan of Hull, Que. and shodans Jim McFadden, Toronto, Ernie Huggins, Hamilton, Gene Doerssam, Ockville, Jacques Moronval, Montreal, and four Ottawans, Richard Fudemoto, Nick Bartole, Jean Major and Doug Edwards.

Toronto Hatashita captured the mudansha team event again, with a 10-0 victory in the final over Oshawa Maple Leaf club/ based on Dennis McCann's ouchi-gari on Doug Pallaize. Other members of the champion five were Wally Kirijewski, Norm Munro, Jim Mandia and Fred Gruber.

Oshawa defeated Montreal Seido-Kwan No. 2 in semis 25-10 and Toronto Hatashita edged Ottawa Hatashita 15-10.

Other clubs in the event were Ottawa YMCA, Ottawa Asahi, West Ottawa, Montreal YMCA, Montreal Hakudokan, East York, Belleville, Niagara Falls, Oakville, Petawawa, Ajax, Hull and Buckingham.

Hockey Players Urged To Sign For 1962-63

TORONTO. — Al Masukawa, President and Rick Matsumoto, co organizers of the Toronto Nisei Hockey League would like to take this opportunity to thank the players for the kind gifts which we received at last week's banquet.

All players wishing to participate next year and who have not signed are asked to contact Al at PL. 5-6687 or Rick at HO. 5-4501. The league is hoping to expand to five and possibly six teams next fall, so any players who did not play this year but wish to do so in the 1962-63 season are also asked to contact us during the summer. FIRST COME FIRST SERVED!

More news will follow at the end of summer. So long for now and thanks for all the wonderful support given us this year.

LETHBRIDGE, Alta.—Following are the winners of the various belt divisions in the recently held Alberta Judo Shiai in the Civic Auditorium, Lethbridge, Alta.

Yellow Belt—Ken Tamura, Picture Butte; Orange Belt—Ron Powell, Kodokwai Edmonton; Green Belt—Ray Taulfest, Rosemary; Blue Belt—Lance Ninkovich, Red Deer; Brown Belt—Gunther Hass, Kidokwai, Edmonton; Ladies—Loreta Vermont—Hiro's Club, Calgary; Team—Kodokwai, Edmonton.

Eight teams participated in the above events representing, Medicine Hat, Calgary, Red Deer, Rosemary, Lethbridge, Jasper Place and Edmonton.

Two Katas were demonstrated during the evening. A kime-no-kata was shown by Mr. Y. Katsuta, godan and Mr. Nakagawa, shodan. Goshin-jitsu-no-kata was demonstrated by Mr. Y. Senda, sandan and Mr. T. Yoshida, shodan.

H. De Graaf of Jasper Place Judokai was declared Alberta Black Belt Champion by defeating J. Jougens of the Edmonton Kodokwai in the finals, after a hard-fought battle that went into overtime.

Competition in all grades was very keen and all clubs report membership is on the increase. It was also apparent that the yellow and orange belt grades seemed to have a larger percentage of young Judoka due to the fact that many of the dojo's now offer training for juniors. This will no doubt become more noticeable as time goes on and more of the youngsters enter senior ranks. R. Powell winner of the orange belt division is a prime example, having attained his sixteenth birthday in March of this year. With keen youthful judoka such as this, plus senseis the calibre of Mr. Katsuta and Mr. Senda, Alberta should not experience any difficulty whatever, in maintaining its high standard of judo in the future.

Japanese Gymnasts To Perform In Montreal

MONTREAL.—Japanese gymnasts, rated among the best in the world, will show their agility and skill here late in July.

"We expect their team to come to Montreal after the World Championships at Prague," said Dr. H. Douglas Whittle, chairman of the gymnastic committee of the Amateur Athletic Union of Canada. Dr. Whittle was in town from Vancouver to discuss the Canadian Gymnastics Championship program with Immaculate Conception Club officials, hosts for the 1962 championships which open June 22 and conclude June 23 at the Maisonneuve Civic Sports Centre.

Where would the Japanese gymnasts perform here?

"They are going on a short tour of Europe before coming to Canada in late July and we would like to get the Forum for their appearance. It will not only be a demonstration but there will be competition too against our top Canadians," said the chairman.

Golf Booming In Japan

TOKYO.—Golf is booming in Japan.

Although expensive and, for city dwellers, often far from easily accessible, membership of a private golf club has become an essential status symol for business leaders and professional men. Membership may cost more than 600,000 yen ($1,680).

But today the game, once considered the pastime of aristocrats, the extremely wealthy and foreigners, is also spreading to the masses.

Ordinary wage earners, housewives and even college students flock to play on the cheaper public golf courses, especially on Sundays. Caddies are mostly girls.

All told, there are only about 230 golf courses in Japan at present and another 50 are publicly owned. The rest are privately operated.

A big fillip to the popularity of the game in Japan was the unexpected success scored by the Japanese team in the Canada Cup matches played here in October, 1957. This victory put the Japanese into the international golf picture and awakened public interest.

Today, there are about a half-dozen important contests for the amateur, including the national amateur and the national open championships.

Tournaments for professionals include the Japanese professional championship and the Japanese open, the Yomiuri international and the Chunichi open.

The elections came at the Academy's 182nd annual meeting. Chartered by Massachusetts during the revolutionary war, the Academy's membership of 1800 now includes national and international leaders in science and the arts.

years receive almost no wages. They live together in a dormitory which the employer supplies. From the fourth through the seventh year the girls receive regular wages while their housing and food is still provided by the employer.

"But at the expiration of the seven-year period each girl will be provided with a good and worthy husband. It was part of her understanding when she went to work.

"If the employer is to attract good workers he must supply these husbands. To be able to supply good husbands he must make certain the girls are trained to be good wives. This is his own wife's job and she must be good at it.

"Husband provision is a fundamental part of the responsibility of the successful Japanese small business manager."
